# CU Energy Day 2015

<https://sse.erg.cuhk.edu.hk/energyday/2015/index.html>

**Host:** Faculty of Engineering, The Chinese University of Hong Kong

**Enquiry and registration:** [cu.energy.day@gmail.com](mailto:cu.energy.day@gmail.com)

**Date:** 26 October 2015 (Monday)

**Time:** 9:00 - 17:30

**Venue:** Lecture Theater 2, G/F, Yasumoto International Academic Park, CUHK

## Purposes

1. To promote energy research and engineering in the CUHK community
2. To inspire researchers/students to conduct energy research and engineering
3. To enhance the understanding of CUHK community on the energy situation in Hong Kong and China

## Programme Schedule

09:00 – 09:10

Opening address

**Prof. Ching-ping WONG**, *Dean of Engineering, CUHK*

09:10 – 09:20

**Introduction of the CUHK Energy Engineering Programme**

**Prof. Yeung YAM**, *Director, Energy Engineering Programme, Faculty of Engineering, CUHK*

## Invited Speeches:

09:20 – 10:20

**“China’s Energy Strategy and Policies”**

**Dr. Fuqiu ZHOU**, *Director, Energy System Analysis Center of Energy Research Institute, National Development and Reform Commission, Beijing, China*

10:20 – 11:20

**“Nanostructured Materials for High-Performance Energy Conversion and Storage”**

**Prof. Hongjin FAN**, *Associate Professor, School of Physical & Mathematical Sciences, Nanyang Technological University*

11:20 – 12:20

**“Triboelectric Nanogenerator for self-powered systems and large-scale blue energy”**

**Prof. Zhong Lin WANG**, *Regents Professor, School of Material Science and Engineering, Georgia Institute of Technology, Atlanta, Georgia*

12:20 – 14:30

Lunch time

14:30 – 17:30

Student Poster Session

Room 603, 6/F, Ho Sin-Hang Engineering Building
